

A modern lounge interior with a brick wall, a curved sofa, and palm tree decorations. The scene is lit with warm, golden light, creating a cozy and sophisticated atmosphere. The brick wall is the focal point, with a framed picture of palm trees hanging on it. The curved sofa is a light beige color, and there are several round tables and chairs around it. Palm tree decorations are scattered throughout the space, including a large one in the foreground and several hanging from the ceiling. The ceiling has exposed pipes and a track lighting system.
